  - Work Authorization System
  - Management Review Meetings
  - QMS
  - Change control System
  - Integrated Change Control
  - Stakeholder Need based Attributes and Performance Measures (SNAP)
- 
- The background of the slide features a stylized globe with a binary code (0s and 1s) pattern. The globe is split vertically, with the left side in orange and the right side in blue. A blue ring with a yellow line runs around the globe. The overall theme is technology and global connectivity.
